

# Perfect Fit: The Turnout Rug by Passier

The elegant, durable Turnout Rug by Passier convinces due to its very good fit and its exceptional horse-friendliness!

**Perfect fit:** The practical movement gussets at the front provide the horse with even more freedom of movement. The rug has an adjustable double closure at the front with Velcro fastening inside and two snap hooks outside. Removable, elastic hindleg straps prevent the rug from slipping sideways.

**Horse-friendly:** The smooth polyester inner lining means the rug adapts perfectly to the horse's sequence of movement and the fabric's good sliding qualities help to avoid any rubbing caused by friction on the horse's shoulder.

**Top quality:** As the inner lining is quilted together with the filling material, the filling remains evenly distributed over the rug.

**Best protection:** The extra-long side pieces and the tail flap, which additionally convinces with a good fit on account of its integrated elastic tail strap, provide the horse with excellent all-round protection against dampness and cold. The outer part of the rug consists of breathable, waterproof 1200 D ripstop polyester with welded seams.

The horse-friendly Turnout Rug is available without filling for the transitional season, with 150 g filling or with a cozy 300 g filling for cold winter days. It is available in sizes S: 125 cm (49"), M: 135 cm (53"), L: 145 cm (57"), XL: 155 cm (61"), XXL: 165 cm (65").
